HELP FOR THE HOMELESS IS A HUGE SUCCESS IN 2018!

Fox Communities Credit Union has been a driving force in the Help for the Homeless Drive for many years. This year we decided to do something a little different. We had "lunch bags" available at 22 branches that members and any of our community could stop in and pick up a bag to filled with items. There was a label on each bag that had a list of what the hygiene drive was in need of.

Once the bags were filled with items, the generous folks in the community dropped them off at one of the Fox branches. For each filled bag brought in, you were entered into a drawing for VISA gift cards. With the help of the bags, we collected the most we've ever done by leaps and bounds! Over 17 total filled boxes at a value of \$350-\$400/box, which was a total of \$6000 worth of items was donated to the Help the Homeless from the Fox Communities Credit Union friends alone.

We are fortunate to have so many giving spirits help those less fortunate. Their generosity instills a sense of dignity. Thank you all for making a difference!

Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 100,000 members in 12 counties with 22 branches in all of those communities.

We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 employees employed in our communities.
