## **MOVIE NIGHT AT THE BALLPARK!**

Fox Communities Credit Union will be putting on two movie nights this year for the community. Each ticket for the movie *DescipableMe3* is \$2, and with each ticket purchase, you will receive a voucher for a free popcorn and soda. Come early to see the Fox Communities hot air balloon that will make an appearance before both of the movie nights!

There will also be a collection at each of the movies for Feeding America. We ask that attendees bring in a non-perishable food item or a cash donation. For every item/dollar donated, you will be entered into a drawing for movie-themed raffle baskets.

The Green Bay area movie night will be on Wednesday, June 6 at the Bullfrogs Stadium located at Joannes Park, 315 S Baird St, Green Bay. The movie will begin at 7 p.m., gates open at 6 p.m. The concession stands will be open during the movie.

*Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 100,000 members in 12 counties with 22 branches in all of those communities.*

*We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 employees employed in our communities.*
