## **Want to Boost Your Credit IQ?**

Most of us know that credit scores and credit reports influence whether or not we'll get the loan we're applying for. Did you know credit reports might also influence whether or not you'll get the job/insurance/apartment you may be hoping for? Today, more than ever, it's important to understand how credit scores and credit reports work.

Fox Communities Credit Union is sponsoring a seminar to help unravel some of the mysteries of credit. The seminar will cover: what can be found on a credit report, how to build a good score, how to watch for Identity Theft, how to spot errors on a report, and get them corrected and more.

Join Fox lending experts on Wednesday, January 18, at Fox Communities Credit Union, 3401 E. Calumet St., Appleton, or Thursday, January 19, at Tundra Lodge and Conference Center, 865 Lombardi Ave., Green Bay. Each one hour seminar will be presented at 6:00 pm.

Register at [www.foxcu.org](http://www.foxcu.org) or by calling the Call Center at (920) 993-9000. This seminar is free and open to the public.
