Are you looking for money for next year's college bills?

Fox Communities Credit Union is happy to lend a helping hand to area graduating high school seniors, by offering six, \$750 scholarships. Any Fox primary member, who will be attending a two or four year accredited program this fall, may fill out the scholarship application to be considered for one of the scholarships.

The application and details can be found at all Fox Communities Credit Union branches, or by going to the Fox website: www.foxcu.org. The scholarships will be awarded to those seniors who demonstrate community involvement, and those who thoughtfully answer this year's essay question: *Review the Seven Cooperative Principles for Credit Unions. Which one is the most meaningful to you and why?* All applications must be received by February 23, 2018.

Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 99,000 members in 12 counties with 22 branches in all of those communities.

We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 staff employed in our communities.
