## **Are you ready to start house hunting?**

Preparation is key when it comes to searching for that perfect home. Join Fox Communities Credit Union's expert mortgage lenders, to find out what it really means to be prepared. Fox will be hosting: *Rise & Shine Home Buying Seminar*, at three separate locations. Join us for a cup of coffee, and some great home buying information.

Whether you're looking to upsize, downsize or purchase your first home, this informative session may make your move a little easier. Lenders will cover why credit is important, how to benefit from a variety of loan programs, appraisals and inspections, and general information on the home buying process.

All three seminars will take place on Saturday, February 10, 2018, from 10-11am. Join us at Fox Communities Credit Union, 3401 E. Calumet St, Appleton, Daily Buzz, upper level meeting room, 130 E. Walnut St., Green Bay, or at Jenn's Java, 1124 Washington St., Manitowoc.

Register at [www.foxcu.org](http://www.foxcu.org) or by calling the Call Center at (920) 993-9000. This seminar is free and open to the public. Please register early as seating is limited.

*Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 99,000 members in 12 counties with 22 branches in all of those communities.*

*We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have almost 400 employees employed in our communities.*
