Want to Boost Your Credit IQ?

Most of us know that credit scores and reports influence whether or not we'll get the loan we're applying for. Did you know the reports might also influence whether or not you'll get the job/insurance/apartment you may be hoping for? Today, more than ever, it's important to understand how credit scores and reports work.

Fox Communities Credit Union is sponsoring a seminar to help unravel some of the mysteries of credit. The seminar will cover: what can be found on a credit report, how to build a good score, how to watch for Identity Theft, how to spot errors on a report, and how to get them corrected.

Join Fox lending experts on Tuesday, March 14, 2017, at the Capital Civic Centre-Mertens Family Lobby, 913 S 8th St. Manitowoc, WI. The one hour seminar will be presented at 6:00 pm.

Register at www.foxcu.org or by calling 920-793-1700 or 920-682-6946. This seminar is free and open to the public.
