## **Fox Communities Credit Union breaks ground for new office on Main Street in Green Bay!**

On Monday, November 10<sup>th</sup>, Fox Communities Credit Union broke ground for its new location at 1820 Main Street in Green Bay. The current branch, also on Main Street in Green Bay, will be moving to this new location.

According to President Greg Hilbert, “The interior design features a “pod” concept that replaces the traditional teller line and allows members to interact with staff and view their accounts together, which provides more personalized service. We will have more member parking, easy access drive up and a drive up ATM.” Joni Trousil, Branch Manager at the Green Bay location, states that she and her staff are excited about the new facility and they look forward to serving Fox members and the Green Bay community.

Fox Communities Credit Union anticipates opening the office in May 2015. Gries Architectural Group is the architect for the project and Smet Construction Services of Green Bay is the construction firm.
