Thank you to members and friends of Fox Communities Credit Union for your recent generous donations to the Toys for Tots Drive. Your willingness to help children in our community have a special holiday season makes all the difference!

With your help we provided thousands of toys to children in our communities this year.

The country-wide Marine Toys for Tots Program collected and distributed 18 million toys to 7 million less fortunate children in this past year allowing them to experience the joy of Christmas and receive a message of hope that otherwise would not have been there. This community action program took place in 792 communities covering all 50 States, the District of Columbia, Puerto Rico, and the Virgin Islands.

Although these victories may seem small to the average person, you know that they are not. That's why you gave, and why the kids we serve are full of gratitude for your generosity.

Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 99,000 members in 12 counties with 22 branches in all of those communities.

We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have almost 400 employees employed in our communities.
