**Wouldn't it be great to have helpful information, *prior* to shopping for that dream car?**

Thinking of buying a car? Whether it's your first car or your tenth, the car buying process isn't something most of us do every day. To get up-to-date information on a wide variety of car buying topics, attend Fox Communities Credit Union's seminar: "The Road to a Better Deal".

Learning how to research a car, negotiating strategies, finance and insurance, how you can partner with your credit union to get a great deal, and much more will be discussed at this informational presentation.

Join us on Wednesday, March 14, at Fox Communities Credit Union, 3401 E. Calumet St., Appleton, or on Thursday, March 15 at Tundra Lodge and Conference Center, 865 Lombardi Ave., Green Bay. Each one hour seminar will be presented at 6:00 pm.

Jon Benson, a Fox Communities Credit Union lender since 2014, will be presenting. He has twelve years' of experience working in a car dealership, first in sales, and then in financing. He'll share his expertise to help make your next car buying experience a more informed and more enjoyable one.

*Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 100,000 members in 12 counties with 22 branches in all of those communities.*

*We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 employees employed in our communities.*
