CORY'S ONLY FREE PERFORMANCE DURING MILE OF MUSIC

Cory Chisel and Friends will be on an outside stage at CBC Coating, 820 S. Cory will start playing at 1:30 p.m. GGOOLLDD will be performing at 11:30 a.m. For more information on the artists at all the stops and details on the ride please go to <https://foxbiketothethebeat.com>.

The proceeds from the refreshments sold during the concert will be going to the Fox Cares Foundation. The foundation helps to support local non-profits including the Make Music Happen instrument drive, which Cory was instrumental in introducing us to. Check out the Mile of Music guide for more information and come out and join us for a great musical Saturday!

Fox Communities Credit Union is 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve 100,000 members in 12 counties with 22 branches in all of those communities.

We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have almost 400 employees employed in our communities.
