STOFFEL AND BENTDAHL DONATION COLLECTION

The events that took place on Sunday were tragic, and our hearts go out to all the family, friends and to our community who feel the loss.

While we can't change what's happened, we hope to help the families a little financial support for the future. Fox Communities Credit Union will be accepting donations for the Stoffel and Bentdahl families in all of their 15 locations.

Community First Credit Union is also accepting donations for the Stoffel family. Calvary Bible Church and Fox Valley Christian Academy, where the Stoffel family attends church and school, has set up a love offering. You can make a donation online or give by check/cash.
cbcneenah.org/stoffel-offering

If you would like to help the families financially, these are safe places to donate and 100% of funds received will be going to the families.

Please like "Hands Over the Fox" on Facebook for information on what the community will be doing in the near future, so we can gather together as a community to remember, demonstrate compassion and show strength.

Fox Communities Credit Union has locations in Appleton, Neenah, Kimberly, Black Creek, New London, Clintonville, Oshkosh, Howard, Green Bay and DePere. www.foxcu.org
