## **Is estate planning that important?**

Fox Communities Credit Union is offering free estate planning seminars.

Join us to learn why having an estate plan is important. Learn the basics of a will versus a trust, and the pros and cons of each type of plan. Learn what probate is, as well as other key areas that should be considered when planning for the future of your estate.

Join us on Tuesday, July 17 at Fox Communities Credit Union, 3401 E. Calumet St., Appleton, or Wednesday, July 18 at Tundra Lodge and Conference Center, 865 Lombardi Ave., Green Bay. Each one hour seminar will be presented at 6:00 pm. The presenter, Patrick Furman, is with Epiphany Law, and has been practicing law for almost 20 years.

*Fox Communities Credit Union is over 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 100,000 members in 12 counties with 22 branches in all of those communities.*

*We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 employees employed in our communities.*
