Is estate planning that important?

Fox Communities Credit Union is offering a free estate planning seminar.

Join us to learn why having an estate plan is important, what Powers of Attorney mean and when they are needed, what a will does and does not do, what probate is, and information on Medicaid.

The seminar will be held on Thursday, July 19 at the Manitowoc Public Library, 707 Quay St., Manitowoc. The one hour seminar will be presented at 6:00 pm. The presenter, Alison Petri, is with Steimle Birschbach, LLC, and has been practicing law in Manitowoc since 2005.

Register at www.foxcu.org or by calling the Call Center at (920) 993-9000. This seminar is free and open to the public.

Fox Communities Credit Union is over 80 years strong. Fox started as Combined Locks Credit Union in 1937 with a small office in the Locks Mill to serve the employees by giving them financial opportunities. In 1987 we became Fox Communities Credit Union and opened our charter to serve the community. Since that time we have had various partnerships, and today we serve over 100,000 members in 12 counties with 22 branches in all of those communities.

We also put people over profits, by living the People Helping People credit union mantra. We are locally owned and managed and are committed to making significant contributions to the local areas we serve. We also have over 400 employees employed in our communities.
