Planning for College? What you need to consider!

Today's college students are graduating with record amounts of student loan debt. By one report the total student loan debt in the U.S. is just over \$1.4 trillion. Making wise choices before college, may help minimize the amount of money you need to repay after college.

Students and parents will want to attend this upcoming seminar to learn about comparing college costs, types of schools to choose from, the different types of Federal loans, scholarships, helpful websites to explore, and the importance of the FAFSA.

Join us on Tuesday, September 18, at Liberty Hall Conference Center, 800 Eisenhower Dr., Kimberly, on Wednesday, September 19 at Tundra Lodge and Conference Center, 865 Lombardi Ave., Green Bay, or on Thursday, September 20, at the Manitowoc Public Library, 707 Quay St., Manitowoc. Each one hour seminar will be presented at 6:00 pm.

Our presenter, Peter Spaeth, is a certified student loan counselor as well as a certified consumer credit counselor. He's been with Financial Information and Service Center (FISC) for over eight years.

Register at www.foxcu.org or by calling the Call Center at (920) 993-9000. This seminar is free and open to the public.
