*RISE TOGETHER PRESENTS RYAN HAMPTON*

## Author of the new book “American Fix”

Ryan Hampton is a young man who has made addiction and recovery reform his life’s mission. Through the wildly successful non-profit organization Facing Addiction, Hampton has been rocketed to the center of America’s rising recovery movement — quickly emerging as the de facto thought leader of the national conversation on addiction. Now, he is waging a permanent campaign to change our way of thinking about and addressing addiction in this country. Join us as he discusses his own struggle with addiction, outlines the challenges that the recovery movement currently faces, and offers a concrete plan of action towards making America’s addiction crisis a thing of the past.
