**Fox Communities Credit Union breaks ground for new office in Pulaski!**

On Thursday, July 18<sup>th</sup> Fox Communities Credit Union will hold a groundbreaking ceremony for its new location, 1061 Corporate Way, Pulaski. This location will join the other 22 locations throughout the Green Bay, Fox Valley and surrounding areas.

According to President Greg Hilbert, “We are very excited to become a part of the Pulaski community. Over the years, we have been hearing our members ask for a location in Pulaski. This location will have a member-friendly design featuring teller islands instead of the traditional teller counter. This will allow for a more interactive conversation between the teller and member. It will also have a coffee bar. We look forward to welcoming our existing members and introducing ourselves to all potential new members at this location.”

Fox Communities Credit Union anticipates opening the office in December of 2019. This will be a full-service branch offering mortgage, consumer and business loans, easy access drive-up lanes and ATM.

Gries Architectural Group is the architect for the project and DeLeers Construction from Green Bay is the construction firm.
